INGLENOOK VIRTUAL TASTINGS

We are excited to bring Inglenook to you!

Set the date and invite your favorite people to join us on Zoom for a virtual tasting with one of our Wine Educators. We'll ship the wines directly to you and our team will then guide you through the tasting notes, answer any questions, and share insider advice on tasting wine like a pro.

Email reservations@inglenook.com to place your order now. Advanced purchase required to allow time to ship the wine. Inquire about how to enhance your experience with a vineyard tour, chef demo, or wine trivia game!
