

2020 INGLENOOK RC RESERVE SYRAH

Roman Coppola, a Syrah aficionado fond of both the Australian heavyweights as well as the more pedigreed Syrah-based wines from the Northern Rhône, worked with the Inglenook winemaking team to create an estate Syrah that combines the nuance and texture of Old-World Syrah with the powerful fruit of New World Syrah. Our terroir provides optimal conditions for producing this rich, opulent wine.

VINTAGE NOTES

Excellent canopy growth protected the fruit during the short stints of summer heat that led to 2020's early veraison. All Syrah fruit was hand-harvested between September 6th and September 25th. Practicing organic farming since the 1980's, Inglenook was one of the first Napa Valley vineyards to be certified organic in 1994. Experimentation is embedded in Inglenook's DNA, and within this ongoing evaluation, considerations of climate change, vine age, vintage and other factors reiterate that an estate of Inglenook's caliber and quality is forever a work-in-progress.

WINEMAKER'S TASTING NOTES

The 2020 RC Reserve Syrah is deep ruby color with a youthful violet edge. Aromas of deep black fruit, anise, and baking spice transition to the palate with mineral and floral notes and ripe, seamless tannins. Rich with family tradition, RC Syrah is a wine to be shared with loved ones. Enjoy around the fire in Inglenook's Athenaeum or in a cozy corner of your own home.

APPELLATION:
RUTHERFORD, NAPA VALLEY

BLEND:
100% SYRAH
